5. Administrator-Information

On the administrator information screen, administrators can change their own passwords.

The screenshot shows a web interface with a sidebar on the left and a main content area. The sidebar has a header 'My Information' and a list of menu items: Home, Student Information, Course Management, Score Management, and My Information. The main content area has a header 'Change password' and a form with three input fields: 'Account number', 'password', and 'New password'. Each field has a placeholder text '单行输入'. Below the fields are two buttons: 'submit' and 'reset'.

6. Add/Edit student information

The screenshot shows a web interface with a sidebar on the left and a main content area. The sidebar has a header 'Student Information' and a list of menu items: Student Information, Course Management, Score Management, and My Information. The main content area has a header 'Student Information' and a table with the following data:

	ID	classID	NAME	PIN
Student Information	2020213332	2020215110	sizhongxiu	12345678
	2020213315	2020215109	liuziqian	234567
Course Management	2020213336	2020215108	zhuanglianyu	345678
	2020213316	2020215107	cuizhendong	456789
Score Management	2020213329	2020215110	nicolas	123456

Handwritten annotations in red ink are present on the left side of the table, pointing to the first three rows. The annotations are:

- 在左边加一个 Add student information 的 button
- 在左边加一个 Remove student information 的 button
- 在左边加一个 Change student information 的 button

Below the table, there are three arrows pointing downwards towards a horizontal line.

Student Information				
	ID	classID	NAME	PIN
